To print and turn in this signed document, you must scan it, save it, and turn it in. If you do not have a scanner, don't worry! You can take a picture of this page using a cell phone or digital camera. (Make sure that the picture is taken in a way that I can see the document clearly.) If you are using a cell phone to take the picture, simply send a text message of the picture to your email address. (Type in your email address instead of a phone number as the recipient). From there, you can login to your email on your computer, save the pictures, and attach them to the dropbox. Check out the page called "Submitting an Assignment Using Dropbox" for help with this task. ©
